

Quail Valley Park: Hampton “Executive 9” Park and Trail

The Hampton “Executive 9” is designated parkland. El Dorado will become golf course.

Please be safe . . . The trail is very near the water’s edge in some locations.

Notice the metal “baskets.” They are for **advanced DISC golf**. A learn-to-play DISC golf park is in Community Park off Glenn Lakes. It does not have the water hazards of losing discs this course has.

- **Struck golf balls are dangerous.**
- **Safety first, never use trails on courses during golfing hours.**
- **Stay off greens on golf course.**
- **Exercise care near water, on bridges and spillways—especially w / bikes.**
- **Be courteous to other trail users.**
- **Respect Private Property.**

What Your Tax Dollars Are Buying:

Community assets:

Beautiful land of mature trees, lakes, creeks, open space and established wildlife:

A destination that brings distinction to Missouri City
Lifetime memories.

A new community center for business, civic and social events will provide a center that shows Missouri City's pride.

Vote  **Yes**
**Keep Missouri City
Growing Smart**

Fun for all interests!

- **Parkland**
- **11 miles of existing trails**
- **36 holes of golf**
- **9 holes learn-to-play golf**
- **Fitness Center**
- **Character Development** through sports and all forms of recreation. Revamping a community learning center at learn-to-play golf course serves schools and community needs.

Supervised, safe environment for youth. Fitness for all.

By acquiring and revamping the old tennis center
(on Cypress Point near Cartwright)

- Clean up a community eyesore,
- Serve the Association for Retarded Citizens Center next door.
- Provide multi-purpose recreation with the potential for:
**Tennis Dancing Skateboarding Basketball Farmers Market
And more!**
